

2021-2022 SUPPLIES NEEDED FOR STUDENTS IN 2216 & 2217

Thank you for all you do to prepare your student for school. Supplies are important. Please make sure your student comes with both personal items and community items listed below on the first day of school.

<u>PERSONAL USE ITEMS</u>		<u>COMMUNITY ITEMS</u>	
<u>Please have your student write their name on all of the items listed below</u>		<u>Please do not put names on these items - they will be given out throughout the year as any student needs them</u>

1 pair of scissors		1 set of colored pencils	
1 handheld pencil sharpener with a lid to hold shavings		3 Clorox Disinfectant wipes	
1 normal clipboard is fine or a Slimcase from Walmart We have found these helpful for some students and they are compact enough for our classroom use \$6.88  Slimcase 2 clipboard, 3517-AWM2 Assortment holds note paper.		3 boxes of tissues	

<p>A good Pencil bag - a prepared student can be successful and we have found when students can easily keep track of their supplies they are prepared. The pencil bag must zip and cannot be a plastic box.</p>

Classroom wish list for extra supplies that it would be nice to have:

- Extra of any of the above supplies
- Card stock—either plain or colored
- Black Sharpie permanent markers
- Loose leaf graph paper
- Ziploc sandwich bags and gallon bags
- electric pencil sharpener

Please Do Not Send—We don't like to see parents spend money on items that we will have to take away from students, so please do not let your student bring in:

- Mechanical pencils, pens, crayons, markers or sharpie markers

We have seen too many problems with these materials, and it is better if they are not in the room. They will be taken from students. Please support us in this area. We have to take away these items each year, and the students are disappointed. Please leave these things at home.

Thank you,

Janine Kiefer and Lauren Fisher
