Supply List 2020-21

This year will be unique for many different reasons. The school supply list is no different! Below you will find 2 different lists. One for remote learning and one for in person learning. I will also include a classroom supply wish list in weekly and/or monthly communication throughout the year.

Supplies for Remote Learning

- Provide a quiet space in the home dedicated to classwork completion
- District provided device. Please see the CPS website for more details: <https://www.cps-k12.org/news/whats-new/all-cps-students-receiving-computers-and-access-free-internet>
- Each student will be provided with a kit containing necessary supplies for at home learning. There is no need to purchase other supplies.

Individual Student Supplies for In Person Learning

The following items should be brought on the first day of in person learning. Please mark each item with your child's first and last name:

- Back Pack (**without wheels please**) large enough to hold a standard sized folder
- A set of extra clothes (pants, shirt, underwear, socks) in a zip top bag
- Box of tissues (each child will have their own box in their cubby)
- Full Day **preschool** students will need nap items (blanket, small pillow, special animal). These items will be sent home each week to be laundered.

Classroom Supplies for In Person Learning

- 1 Tube of disinfecting wipes (if you can find them!)
