NOTE: I tried to limit the amount of school supplies that parents will have to purchase. I know that this is a difficult time for many families. I have an Amazon Wish List to help supplement the school supplies listed here. Please share this list with your family, friends, and co-workers who may be willing to purchase items for our classroom. I will be adding snacks (for Kindergarten students) to the Amazon Wish List upon our return to school. Thank you for your support!
